“ John was one of the kindest and thoughtful people I have ever met. He was genuine and you always knew where he stood on things. Being from NJ also, that was one of the things I loved about him. We both ADORED dogs and would always share pictures and videos. We also shared a love of “good” food. Talking about different restaurants that opened and where each other needed to go. Anytime he got a shipment of his favorite things... I always got a phone call to share. Heaven got a good one! Rest in the sweetest of peace John and play with all the furbabies waiting for you. xxxo

“ John wasn't a just a great friend but a great human being. Always thinking of others before himself. One of the funniest people I have ever met. I will miss the talks about Hockey and even more about our love of comics To John's family--my thoughts are with you and hope you know how much he meant to me and everyone he came in touch with...God Bless!

“ John always had a great attitude and a drive to get the job done. He introduced me to the Pancake House and the best bagels in Alpharetta. You will be sorely missed my friend. I am extending my condolences to his wife a family.

“ John was like a brother to me and he will be greatly missed. He had one of the biggest hearts of anyone I know, and my life has only been enriched over my past 25 years having been his close friend. He had a way of making everyone who he met feel like they were his best friend; the world has unequivocally lost "one of the good ones"...

“ So heartbroken to hear about John. I knew of him through a Devils podcast of which he was a regular caller. Heart goes out to his family.
